

## **INAir Aviation Services Company**

### **WARRANTY POLICY - AVIONICS EQUIPMENT**

INAir Aviation Services Company warrants (at the time of delivery) that all furnished articles shall be free from defects in material and workmanship. Extent of warranty shall be for the repair or replacement of any unit returned during warranty period, and is limited to electromechanical/mechanical assemblies, and/or electronic parts/assemblies replaced at the time of repair/overhaul. ALL EXPRESS AND IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. NO WARRANTIES, EXPRESS OR IMPLIED, WILL APPLY AFTER THIS PERIOD. In no event shall INAir Aviation Services Company be liable for incidental or consequential damages, nor incur further obligation or liability by reason of sale or use of any such product. INAir Aviation Services Company shall not be responsible for equipment removal, shipping, examination, or reinstallation.

Warranty service does not include repair of failures caused by:

- Defects due to tampering
- Improper use or handling
- Improper storage or operation
- Defects caused by liquid corrosion/contamination
- Article not maintained in accordance with the published instructions
- Any attempt to repair seemingly defective units
- Maintained by anyone other than: INAir Aviation Services  
8225 Country Club Place  
Indianapolis, IN 46214

### **BENCH TEST AND CERTIFICATION**

On units that are only bench tested and found to be within tolerance as described by the manufacturers' specification, there will be no warranty implied.

### **REPAIRS**

INAir Aviation Services Company liability hereunder is conditioned on defects becoming apparent within **12 months** from date of shipment of such item to the first user. This warranty does not give full coverage on **ANY** failure during this time but is limited to the repair and replacement of the parts and/or subassemblies replaced during the previous service action.

### **OVERHAUL**

INAir Aviation Services Company liability hereunder is conditioned on defects becoming apparent within **24 months** from date of shipment of such item to the first user.

### **NO FAULT FOUND RETURNS**

If a unit is removed from an aircraft and found to meet all of the manufacturers' test specifications, the customer is responsible for the bench test and recertification charges.

### **ELECTRONIC COMPONENTS**

Electronic components are tested and function verified at the time of test. There is no way to verify the service life of an electronic component without destroying it. Therefore, it is INAir Aviation Services policy to warranty only the electronic components replaced at the time of repair.

### **SHIPPING**

All units repaired by INAir Aviation Services will be packaged in a KORRVU container. This packaging is ATA-300 compliant. Any unit being returned for warranty consideration must be returned to us in the same container.
